

**Nagaland Board of School Education
Kohima**

NOTIFICATION NO. 10/2021

Dated Kohima, the 16th February 2021

NO. NBE-7/AC-F&R/2011-12:: This is for information of all the heads of schools registered with NBSE that from the academic year 2021 onwards, all payment of fees will be received using only the online payment gateway in the NBSE Portal <http://nbsenl.edu.in>, the same portal on which all the forms are being uploaded. Users (schools) must have internet banking facility enabled in their bank accounts to use the online payment service. Schools which do not have net banking enabled bank accounts may pay using individual accounts that have such facilities.

Currently, the only mode of payment is internet banking. Additional services such as debit card, UPI, etc, may be enabled in the future depending on the need. Users are advised to read the user manual provided in the Portal before making any payment. For technical support, contact NBSE helpdesk at <http://helpdesk.nbsenl.edu.in>.

It is to be noted that there will be a service fee at the flat rate of ₹ 20 (plus ₹ 3.60 GST) per transaction which will be debited directly from the user's bank account when fee payment is made. It is therefore advised to make the payment in a single transaction, as far as possible, for a particular fee during that period.

Further, schools are advised to pay their fees within the specified dates as given in the academic calendar to avoid fines and other avoidable complications. All fees payable for the academic year 2021 must be paid during the financial year 2021-22, i.e. after 31.03.2021. Payment of fees should be done as per the date or period specified in the Academic Calendar.

All schools are expected to learn, apply and comply with the new method of fee payment in the interest of public service.
