

**Nagaland Board of School Education
Kohima**

NOTIFICATION No. 50/2022

Dated Kohima, the 24th May 2022

No.NBE-8/Ad-Misc(10)/2022-23/: This is for the information of all the Heads of schools registered with NBSE that all are to observe 'World Environment Day' in their respective institution.

The theme for this year is "Only One Earth' with the focus on "Living Sustainably in Harmony with Nature". Issues such as air pollution (leading to various diseases), climate change including global warming are relevant concerns, which need to be emphasized so that students can undertake activities related to it.

This will also help them to understand the impact of environmental degradation at the same time, highlighting the need to live sustainably in harmony with nature by transformative changes in our approach and choices towards a cleaner and a greener lifestyle.

Thus, accordingly schools should organize activities based on the theme; either on 4th June or 6th June 2022 (5th June being a Sunday). Schools shall send the report/activities undertaken by them to the Board @ nbsenag@gmail.com and can also share in the media.
