

**Nagaland Board of School Education
Kohima**

NOTIFICATION NO.64/2022
Dated Kohima, the 15th June 2022

NO.NBE-1/Ad-CS(12)/2022-23 :: This is to notify for information of all concerned that with the changes brought in by the University Grants Commission (UGC) regarding admission to B.A. Economics (Honours) under Choice Based Credit System (CBCS), students who are intending to go for **B.A. Economics (Honours)** need to have **Mathematics** as one of the subjects at the higher secondary level. The same policy will be adopted by Nagaland University as well as other Universities across the country in the coming years.

Therefore, all Heads of Higher Secondary Schools are requested to disseminate and sensitize the above information to the students during the time of admission. This will help those students desiring to study B.A. Economics (Honours) in future in NU or any other university in India to choose the correct subject combination at an early stage. Further, higher secondary schools are reminded again to introduce Mathematics as a subject under Arts stream.
