Sir/Madam,

With reference to NCERT letter F.NO.13.21/2020-21/DICT/CIET dated 31st May 2021, this is to inform all the Registered Higher Secondary Institutions that to promote online learning and to support the students with enriched study materials, the Ministry of Education, Government of India has launched a platform for offering Massive Open Online Courses (MOOCs) that is popularly known as SWAYAM (Study Webs of Active learning for Young Aspiring Minds) on 9th July 2017. NCERT has been offering online courses for the school education system in 11 subject areas (**Accountancy, Business Studies, Biology, Chemistry, Economics, Geography, Mathematics, Physics, Psychology, English and Sociology**) for Classes XI – XII. For the current cycle, NCERT is offering 30 MOOCs for students of Classes XI and XII.

With the closure of schools due to COVID-19 pandemic, this online platform of SWAYAM can be used to support continuous learning of the students in virtual mode. As such, Heads of Higher Secondary Institutions are requested to disseminate the information to the subject teachers and encourage the students to enroll in these courses. The link and QR Code to access these courses are attached in *Annexure*.
