NOTIFICATION NO.58/2023
Dated Kohima, the 26th May 2023

NO.NBE-1/Ad-CS(12)/2023-24 :: In reference to the Nagaland University letter No.NU/ECO/ACA-6/06-411 dated 10th June 2022 and in continuation to this Office Notification No.64/2022 dated 15th June 2022, the Higher Secondary Schools are reminded **once again** that with the changes brought in by the University Grants Commission (UGC) regarding admission to B.A. Economics (Honours) under Choice Based Credit System (CBCS), students who are intending to go for B.A. Economics (Honours) need to have Mathematics as one of the subjects at the Higher Secondary level. This policy will be adopted by Nagaland University as well as other Universities across the country.

Therefore, all Heads of Higher Secondary Schools offering Economics subject as an elective subject are requested to take note of the changes taking place in the educational eco-system and are encouraged to take necessary actions so that students who are desiring to study B.A. Economics (Honours) in future are not deprived of the opportunity.

Further, Heads of institutions are requested to disseminate the information and sensitize the students during the time of admission to help students choose the correct subject combination at an early stage.
