

**Nagaland Board of School Education
Kohima**

NOTIFICATION NO. 38/2021

Dated Kohima the 30th June. 2021

NO.NBE-8/Ad-Misc. (10)/2021-22:: The closure of schools have been necessitated due to Covid-19 pandemic and it is felt that some students may be facing difficulties in enrolling themselves in the school within the specified time as given in the academic calendar 2021. In this regard, schools are allowed to admit late comers or anyone affected by the pandemic to resume their schooling. The schools after giving admission to this category of students should furnish the details of the student's particulars and class to the Board.

Schools are also requested to give information on the drop out students class-wise during the pandemic on or before 7th July 2021 at nbsenag@gmail.com

All registered schools are expected to take care of the educational needs of the students by adopting all possible options- online/offline so that children are not deprived of continuing their education. As the students are now all at home with the online learning, parents have a great role to play, as such; schools should connect with the parents /guardians to see that their wards are attentive in the online classes. Parents should constantly monitor and keep track on the assignments given by the teachers. It is imperative for the parents to actively participate in their child's daily online learning and see that students do not resort to unfair means during online classes and in the conduct of examination. Students should be advised to eat a healthy diet in order to build up a strong immune system and should also engage in physical activities to keep themselves fit and healthy.

Sd/-Asano Sekhose
Chairman
