## **NOTIFICATION NO. 96/2025**

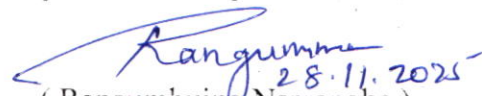

Dated Kohima, the 28<sup>th</sup> November 2025

NO.NBE-4/Ad-VOC(10)/2025-26: It is hereby notified for information of all the Heads of Registered Institutions under NBSE, that in alignment with the National Education Policy 2020, the India AI Mission and the National Programme on AI (NPAI) Skilling Framework has launched the Skilling for AI Readiness (SOAR) initiative during the Bharat Skills NXT Summit.

The goal of SOAR Programme is to bridge the digital skill gap and prepare India's youth for an AI driven future by producing a generation of students and educators who are AI literate. The objectives include early exposure to AI concepts, equitable inclusion of students and educators from diverse background and alignment with Viksit Bharat 2047 vision of digital empowerment and inclusive growth.

The content of the SOAR course consists of three distinct micro-credentials i. AI to be aware ii. AI to acquire and iii. AI to inspire, each of 15 hours duration, amounting to 45 hours in total. These cover fundamental AI concepts, practical programming, ethical and responsible AI usage and career opportunities in technology. Along with four progressive National Skills Qualification Framework modules that have been approved by the National Skill Qualification Committee under NCVET for students of classes VI to XII. For educators, one 45 hour module titled AI for educators provides comprehensive training in AI concepts, pedagogical strategies and practical classroom application.

In this regard, Heads of Institutions are requested to disseminate this information, so as to create awareness about these courses and implement SOAR initiatives. The process of student enrolment is simple and the steps are detailed in the Annexure.
