

**Nagaland Board of School Education
Kohima**

NOTIFICATION NO. 83/2021

Dated Kohima, the 29th September, 2021

NO. NBE-28/Ad-NSE/2021-22:: With the support and co-operation from the Heads of institution and teachers, the Financial Literacy Online Examination 2021 was conducted successfully from the 20th to 24th September, 2021. It was really encouraging to receive a very high response from all the schools even though they are under the pressure of the pandemic.

On comparing the responses received with the enrolment submitted as on 1st April, it is found that there are still a good number of students who could not appear the examination due to various factors such as lack of/ poor internet connectivity at the villages or unable to inform the students about the examination on time and so on.

Now, with the relaxation for opening of schools by the Government of Nagaland from the month of October, it is believed that all the students will be back to their respective schools. The Board feels that, these categories of students should be given another chance to appear the Online examination again. Therefore, the Online Examination is scheduled to be held on 11th and 12th October, 2021.

Therefore, Heads of Institutions are requested to inform the students (if any) from their schools and prepare them to appear the online Examination on the above dates.

New links can be obtained by the schools on request on the day of the examination from the Officer Incharge.
