THE THREE ACTIVITIES — FLOW

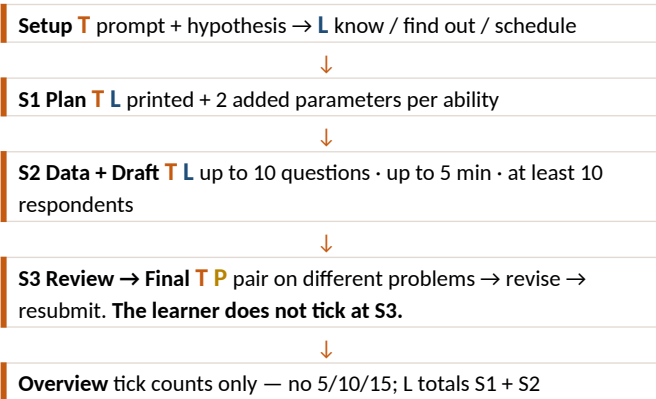

B · Group Project

group of about 4 · 1–2 weeks · Mar–May or Aug–Oct · prompt and subject: teacher

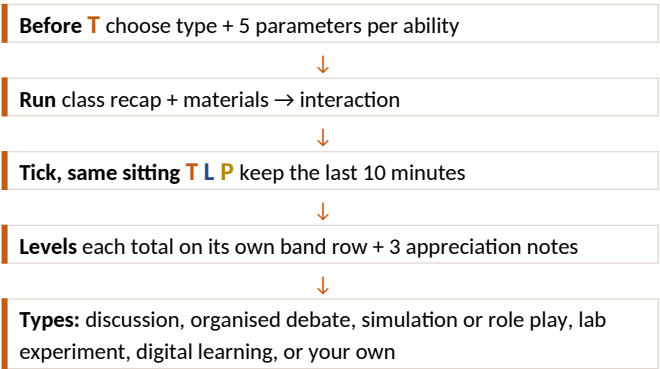

C · Problem-Based Inquiry

individual · spread Mar–Oct, days = mini-stages · problem: teacher assigns, offers a list, or approves the learner's own

D · Classroom Interaction

60 to 120 min · from Feb · recorded ones plus many more as pedagogy · type and subject: teacher or school, never the student

Part	How many per year	Chosen by	Filled by
A (A1–A6, PE, plan)	once each · A3 per term · A5 running · PE several sessions	—	L mostly · T A1 + PE
E Online courses	3–4 planned · record completed, with proof	learner proposes · teacher approves	L T · 15 hrs = 1 credit
F Time inventory	as each activity ends, not in December · termly check · closed in Nov	—	T with learner input
Competency Profile	once, year end, after E and F	—	T evidence open · no blanks

Year-end order: close E (proofs filed) → close F (final hours, with the learner) → Competency Profile → parent meeting with the finished card.

Board calendar: orientation 28 and 30 October 2026 (Dimapur, Jotsoma) → every trained teacher cascades to their school before January → the card is filled from January 2027.
